Kelly Irahola

Computer Science MSci @ The University of Exeter
Katy, Texas, United States

Summary

The University of Exeter has provided a strong foundation in Computer Science, where, alongside my MSci studies, I am interested in cybersecurity and IT. Currently contributing as an Events Assistant at Exeter Students' Guild, leveraging coordination and presentation skills to facilitate seamless event operations.

Previous experience as Lead TA at Girls Who Code highlights a commitment to fostering collaboration and empowering peers in tech education. Motivated by curiosity and resilience, the goal is to integrate technical expertise with impactful cybersecurity solutions while supporting inclusive teamwork and innovation.

Experience

Girls Who Code

Lead TA

May 2025 - Present (2 months)

Exeter Students' Guild

Events Assistant

September 2024 - June 2025 (10 months)

Exeter, England, United Kingdom

- Assisted in facilitating various events to enhance student community engagement.
- Collaborated with fellow event assistants to ensure seamless execution of larger events.
- Developed strong communication skills while managing event logistics and addressing attendee needs.

Girls Who Code

Lead TA

May 2024 - July 2024 (3 months)

- Led instructional sessions for groups of 40-50 students, enhancing their coding skills and confidence.
- Collaborated with Bank of America and Synchrony to organize impactful events, fostering industry connections.
- Facilitated engaging Zoom meetings, expertly managing breakout rooms to encourage student interaction.
- Provided live and asynchronous debugging support, improving student problem-solving abilities and project outcomes.

University of Exeter

Streatham Accommodation Marshal

June 2023 - June 2023 (1 month)

Exeter, England, United Kingdom

I successfully contributed to the University of Exeter's open days as a Streatham Accommodation Marshal, enhancing visitor engagement and satisfaction.

- Developed strong communication skills by engaging with diverse groups of prospective students and families.
- Collaborated with a small team to ensure continuous support and coverage, demonstrating effective teamwork.
- Gained valuable experience in event coordination and guest relations, fostering a positive atmosphere for visitors.

Exeter University Ladies Football Club

Volunteer

April 2023 - April 2023 (1 month)

Exeter, England, United Kingdom

I volunteered for a Girls' Football Day organised by the Exeter University Ladies Football Club (EULFC). It was for primary school girls to provide an opportunity for them to play and nurture any interest the girls had in football. Providing an opportunity like this is important to EULFC to balance out the lack of training opportunities for specifically girls.

Throughout the day, we led the girls through various drills and games, and had to ensure they were engaged, and enjoying themselves.

Exeter Entrepreneurs

Workshop Leader ExCode 2022

October 2022 - December 2022 (3 months)

- Guided 25 students through an 8-week Python boot camp, enhancing their programming skills.
- Developed and delivered engaging workshop content using Google Colab, ensuring accessibility for all skill levels.
- Fostered a supportive learning environment, adapting teaching methods to meet diverse student needs.

Education

University of Exeter

Master of Science - MS, Computer Science · (September 2021 - June 2025)

The Edron Academy

International Baccalaureate , General Studies · (2020 - 2021)

International School of Aberdeen

· (2019 - 2020)

The International School of Kuala Lumpur

· (August 2014 - December 2019)
